BEFORE YOU SPRING TO WORK

Spring is the time of year when you may be getting ready for that new digging project around your home or business. But remember, beneath the earth, sidewalks and streets is an underground world of pipelines, wires and cables. The results of digging into the unknown could result in fatalities, disruption of services, and expensive repair costs.

CALL 811 BEFORE YOU DIG

Whether you are a homeowner or a professional excavator, one call to 811 gets your underground utility lines marked for FREE.
