**SEVEN WAYS TO REDUCE
YOUR CARBON FOOTPRINT
AND FIGHT CLIMATE CHANGE**

- 1 Unplug electronic devices when not in use.
- 2 Replace low-efficiency light bulbs with LEDs.
- 3 Buy Energy Star appliances and electronics.
- 4 Use a programmable thermostat.
- 5 Reduce, reuse, recycle, and compost.
- 6 Support local merchants and farmers.
- 7 Take public transportation, or even better - bike or walk.
