

BALLOONGORILLA VS. KITERA!

METALLIC BALLOONS AND KITES CAN
CAUSE POWER OUTAGES, AND CAN
INJURE YOU AND OTHERS,
INCLUDING ALAMEDA MUNICIPAL
POWER EMPLOYEES WORKING
ON EQUIPMENT.

DANGER!

WHEN A METALLIC BALLOON OR KITE TOUCHES A POWER LINE OR FLOATS INTO SUBSTATION EQUIPMENT, IT CAN CAUSE A SURGE OF ELECTRICITY THAT SHORT CIRCUITS EQUIPMENT AND CAN LEAD TO POWER OUTAGES, FIRES, AND POSSIBLE INJURIES.

BALLOON & KITE SAFETY TIPS!

- KEEP METALLIC BALLOONS INDOORS; NEVER RELEASE THEM OUTSIDE.**
- MAKE SURE BALLOONS ARE SECURED AT ALL TIMES TO A WEIGHT THAT IS HEAVY ENOUGH TO PREVENT THEM FROM FLOATING AWAY.**
- MYLAR BALLOONS AND KITES SHOULD ALWAYS BE KEPT AWAY FROM OVERHEAD POWER LINES AND ALL UTILITY EQUIPMENT.**
- NEVER TRY TO REMOVE ANYTHING CAUGHT IN POWER LINES OR IN ELECTRIC SUBSTATIONS.**
- IF A KITE OR BALLOON GETS CAUGHT IN A POWER LINE, CALL AMP IMMEDIATELY AT 510-748-3900 TO REPORT THE PROBLEM.**
