

ALAMEDA
MUNICIPAL POWER

- DON'T CLOWN AROUND -
BALLOONS AND KITES
CAN BE DANGEROUS.

METALLIC BALLOONS AND KITES CAN CAUSE POWER OUTAGES,
AND CAN INJURE YOU AND OTHERS, INCLUDING AMP EMPLOYEES.

DANGER!

WHEN A METALLIC BALLOON OR KITE TOUCHES A POWER LINE OR FLOATS INTO SUBSTATION EQUIPMENT, IT CAN CAUSE A SURGE OF ELECTRICITY THAT SHORT CIRCUITS EQUIPMENT AND CAN LEAD TO POWER OUTAGES, FIRES, AND POSSIBLE INJURIES.

BALLOON + KITE SAFETY TIPS

- > MAKE SURE BALLOONS ARE SECURED AT ALL TIMES TO A WEIGHT THAT IS HEAVY ENOUGH TO PREVENT THEM FROM FLOATING AWAY.
- > MYLAR BALLOONS AND KITES SHOULD ALWAYS BE KEPT AWAY FROM OVERHEAD POWER LINES AND ALL UTILITY EQUIPMENT.
- > IF A KITE OR BALLOON GETS CAUGHT IN A POWER LINE, CALL AMP IMMEDIATELY AT:

.....  **510-748-3900**
