KEEP YOUR ELECTRIC METER IN VIEW

TO PROVIDE YOU WITH RELIABLE ELECTRIC SERVICE, OUR EMPLOYEES NEED ACCESS TO YOUR METER.

YOUR NEW METER IS ON THE WAY!

IN ADDITION TO METER READING, AMP CONTRACTORS WILL BE REPLACING EXISTING CUSTOMER METERS WITH SMART METERS THROUGH THE END OF THE YEAR AS PART OF OUR ENERGY INVIEW PROGRAM.

CLEAR OBSTRUCTIONS AROUND YOUR METER

- A CLEAR PATH MUST BE PROVIDED FOR US TO GAIN ACCESS TO METERING EQUIPMENT, WHICH WILL REQUIRE ALL OBSTRUCTIONS TO BE REMOVED PRIOR TO THE METER UPGRADE.
- THERE SHOULD BE 3 FEET OF EMPTY SPACE IN FRONT OF YOUR METER.
- ENSURE THAT YOUR METER IS NOT BLOCKED BEHIND TRASH AND RECYCLING BINS OR OTHER ITEMS.
- IF YOUR METER IS LOCATED BEHIND A GATE, PLEASE KEEP THE GATE UNLOCKED.
