Energy Assistance Program (EAP)

The Energy Assistance Program provides ongoing assistance to qualifying low-income customers. The main objectives of the program are to reduce the customer's energy use and provide bill assistance by applying a 25% discount to the customer's monthly electric bill.

Project EASE (Energy Assistance through Supportive Efforts)

Project EASE provides short-term emergency assistance to residential customers who are financially unable to pay their electrical bills and who have no alternative source of assistance.

Medical Discount Program

To reduce the impact of higher electricity costs resulting from operating critical health maintenance equipment, AMP offers a monthly 10 percent medical discount (not including state or local taxes).
