APPLICATION FOR AGGREGATED BUILDING ENERGY USAGE DATA

ALAMEDA MUNICIPAL POWER BUILDING ENERGY USE BENCHMARKING

This form is made available for authorized parties ("Applicant") to acquire the energy use data for a "covered building", under the Building Energy Use Data and Public Disclosure Program ("Program""), as defined within Title 20, Division 2, Chapter 4, Article 9, Sections 1680-1685 of the California Code of Regulations.

All definitions, terms and conditions of the Program are hereby incorporated to and made part of this form by reference.

All parties are bound to the data request practices and protocols of the utility providing energy service(s) to the buildings referenced herein and will perform best efforts to comply with all specified data request requirements.

The Applicant must provide, at a minimum, the street address of the covered building for which energy usage data is being requested. If the covered building is known by the Applicant to include more than one: parcel, premise, address, structure, account, service and/or meter, the Applicant must provide as much detail about the building as is available to them at the time of the data request.
